

Dell Inspiron M5010 Battery Replacement

This guide depicts how to remove the battery from the back of the laptop.

Written By: April Poucher

INTRODUCTION

This is a simple guide that outlines how to quickly remove the battery from your device.

Step 1 — Battery

⚠ Make sure laptop is powered off before removing the battery.

- Follow the arrows, sliding both tabs towards the outer edge of the computer to release the battery.
- Note: battery not shown.

To reassemble your device, follow these instructions in reverse order.
